AFTER 171

We were raised in a village in the boonies.
Because it was so remote we as twins were considered somewhat of an oddity.
When we were in middle school,
we teased one of our classmates.
It became a full-blown bullying incident and the town turned against us.

in hindsight,
That our first loves were both guys.

YOU DON'T EVEN WANT TO DIE.
THAT'S WHAT I THOUGHT WHEN WE LEFT HOME.
I'VE ALWAYS WONDERED HOW WE COULD GO ON LIVING.

SO I'VE JUST STOPPED THINKING ABOUT IT.
TSUBAKI, YOU'VE BEEN FUCKING AROUND ALL THIS TIME.

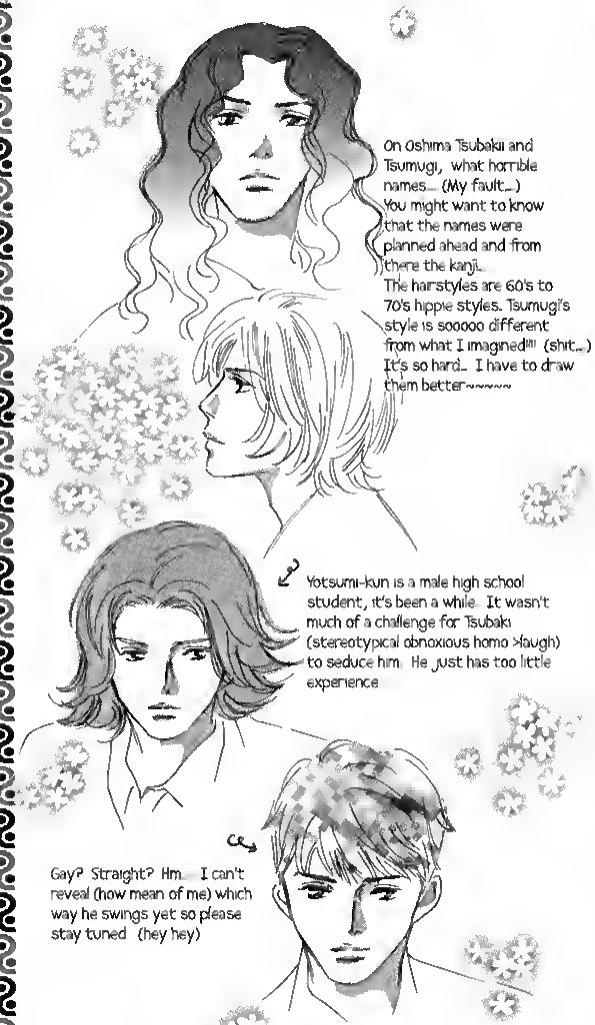
A*TO*GA*KI

Hello! This is Takaguchi Satosumi
Thank you very much for purchasing the first volume of "Yononaka wa sakura ni amai"

Woah, you're really lively today, Takaguchi! (Is what I'm saying to myself) Speaking of, the way I drew myself isn't that different from how I really look. A big K!~~CK to myself!

Yononaka secrets.
I had started this with the intention of making it last only one book...but I had this premonition that it wouldn't come to an end... Sorry..but it looks like it's going to continue...

The Wataka character... When I thought it was an original drawing it had appeared elsewhere... Drawing similar faces is tiresome, so I tried to make them all different. Of course, it can be said that the art isn't that much different from my other manga... oops. In any case Wataka made for a good story.. (lucky..) So~~ please pray for me, so that I'll be able to safely complete this story.



On Oshima Tsubaki and Tsumugi, what horrible names... (My fault...) You might want to know that the names were planned ahead and from there the kanji.
The hairstyles are 60's to 70's hippie styles. Tsumugi's style is sooooo different from what I imagined!!! (shit...) It's so hard... I have to draw them better~~~~~
Yotsumi-kun is a male high school student, it's been a while. It wasn't much of a challenge for Tsubaki (stereotypical obnoxious homo >laugh) to seduce him. He just has too little experience
Gay? Straight? Hm... I can't reveal (how mean of me) which way he swings yet so please stay tuned (hey hey)

happy birthday
